LA RIVOLUZIONE DELL'ETICHETTA ENERGETICA - LA RÉVOLUTION DE L'ETIQUETTE ENERGIE THE ENERGY LABEL REVOLUTION

Da settembre 2014, all'interno della Comunità Europea, l'etichetta energetica è diventata parte anche del mondo dell'aspirazione. Sono coinvolti i traini, le scope elettriche con filo ed i battitappeti. Grazie all'etichetta energetica il consumatore potrà confrontare gli aspirapolvere secondo criteri oggettivi e condivisi quali efficienza energetica, consumo energetico medio annuale, performance d'aspirazione su diverse superfici (pavimento duro e tappeto), efficacia di filtrazione e silenziosità. In virtù dei limiti imposti dalla nuova regolamentazione, i nuovi aspirapolvere consumeranno meno* e garantiranno nel contempo migliori performance di aspirazione.

** La potenza dovrà essere inferiore o uguale a 1600W con un consumo annuo inferiore a 62 kWh.*

Depuis septembre 2014, la Communauté Européenne a mis en place une étiquette énergie obligatoire pour les aspirateurs traineaux et aspirateurs filaires mis sur le marché à partir de cette date. Grâce à cette étiquette énergie, le consommateur peut aisément comparer les aspirateurs entre eux sur les critères d'efficacité énergétique, de consommation annuelle moyenne d'énergie de performances, de dépoussiérage sur diverses surfaces (et moquettes), de qualité de filtration et de niveau sonore. Au vue des minimums de mises sur le marché fixés par cette législation, les nouveaux aspirateurs vont consommer moins d'énergie* et offrir de meilleures performances d'aspiration.

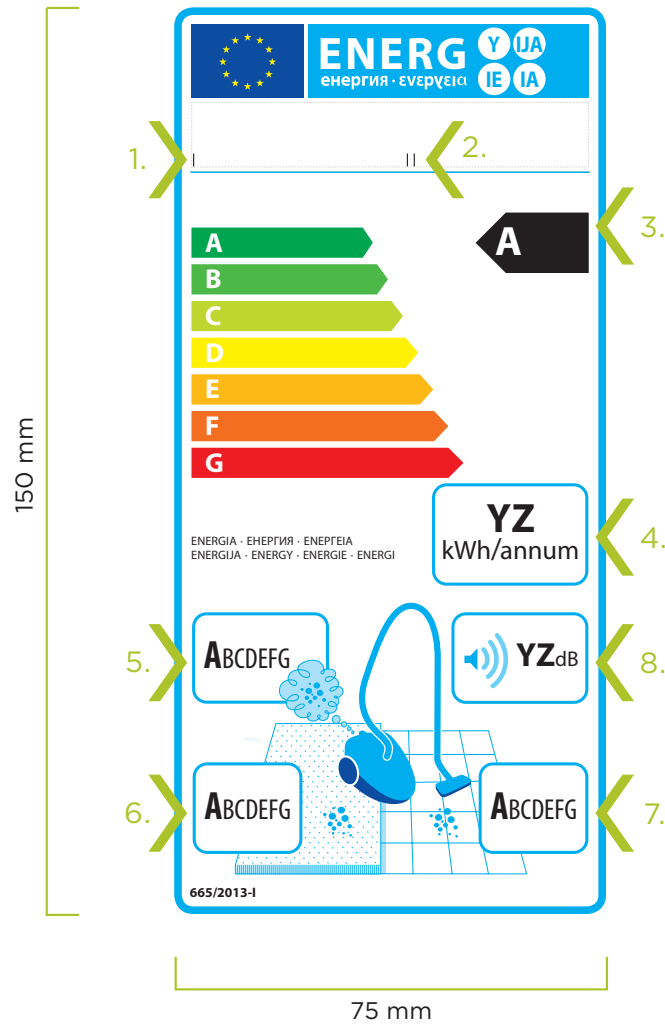

** La puissance nominale de l'aspirateur doit impérativement être inférieure ou égale à 1600W, avec une consommation annuelle inférieure à 62 kWh.*

Since September 2014, the energy labels have become part of the vacuum cleaners world in the European Community, for canisters, corded sticks and uprights. Thanks to the energy label, the consumer can compare vacuums with objective and shared criteria of energy efficiency, average annual energy consumption, suction performance on various surfaces (hard floors and carpets), filter efficiency and sound levels. In regards of the limits set by the new regulation, new vacuum cleaners will use less energy* and guarantee better suction performance.

** The power must be less than or equal to 1600W, with annual consumption less than 62 kWh.*

ETICHETTA ENERGETICA - ETIQUETTE ENERGIE - ENERGY LABEL

COME LEGGERLA

- 1 - 2 Nome o marchio del produttore e codice identificativo del modello
- 3 Indice di efficienza energetica: 7 classi dalla A alla G
- 4 Consumo energetico medio annuale
- 5 Efficacia di filtrazione - Classe di re - immissione della polvere
- 6 Classe di efficacia pulente su tappeto
- 7 Classe di efficacia pulente su superfici dure
- 8 Silenziosità - Livello di potenza sonora espresso in decibel

COMMENT LA LIRE?

- 1 - 2 Nom ou marque du fabricant et référence du modèle
- 3 Index d'efficacité énergétique : de A à G
- 4 Consommation annuelle moyenne d'énergie
- 5 Qualité de filtration - Classe de dépoussiérage
- 6 Classe de performance de dépoussiérage sur tapis/moquette
- 7 Classe de performance de dépoussiérage sur Sols Durs
- 8 Niveau sonore - Niveau sonore exprimé en décibels

HOW TO READ IT

- 1 - 2 Name or manufacturer brand and model identification code
- 3 Energy efficiency index: 7 classes from A to G
- 4 Average annual energy consumption
- 5 Filtration efficacy - Dust Re-Emission Class
- 6 Carpet Cleaning Performance Class
- 7 Hard Floor Cleaning Performance Class
- 8 Sound level - Sound power expressed in decibels

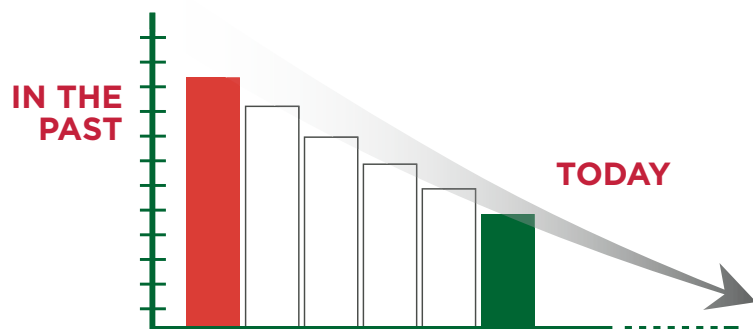

ASPIRAPOLVERE PIÙ EFFICACE - ASPIRATEUR PLUS EFFICACE - MOST EFFICIENT VACUUM CLEANER

La nuova generazione di aspirapolvere Hoover è pensata per consumare meno, garantendo le migliori prestazioni di pulizia rispetto ai prodotti precedenti ad alto wattaggio.

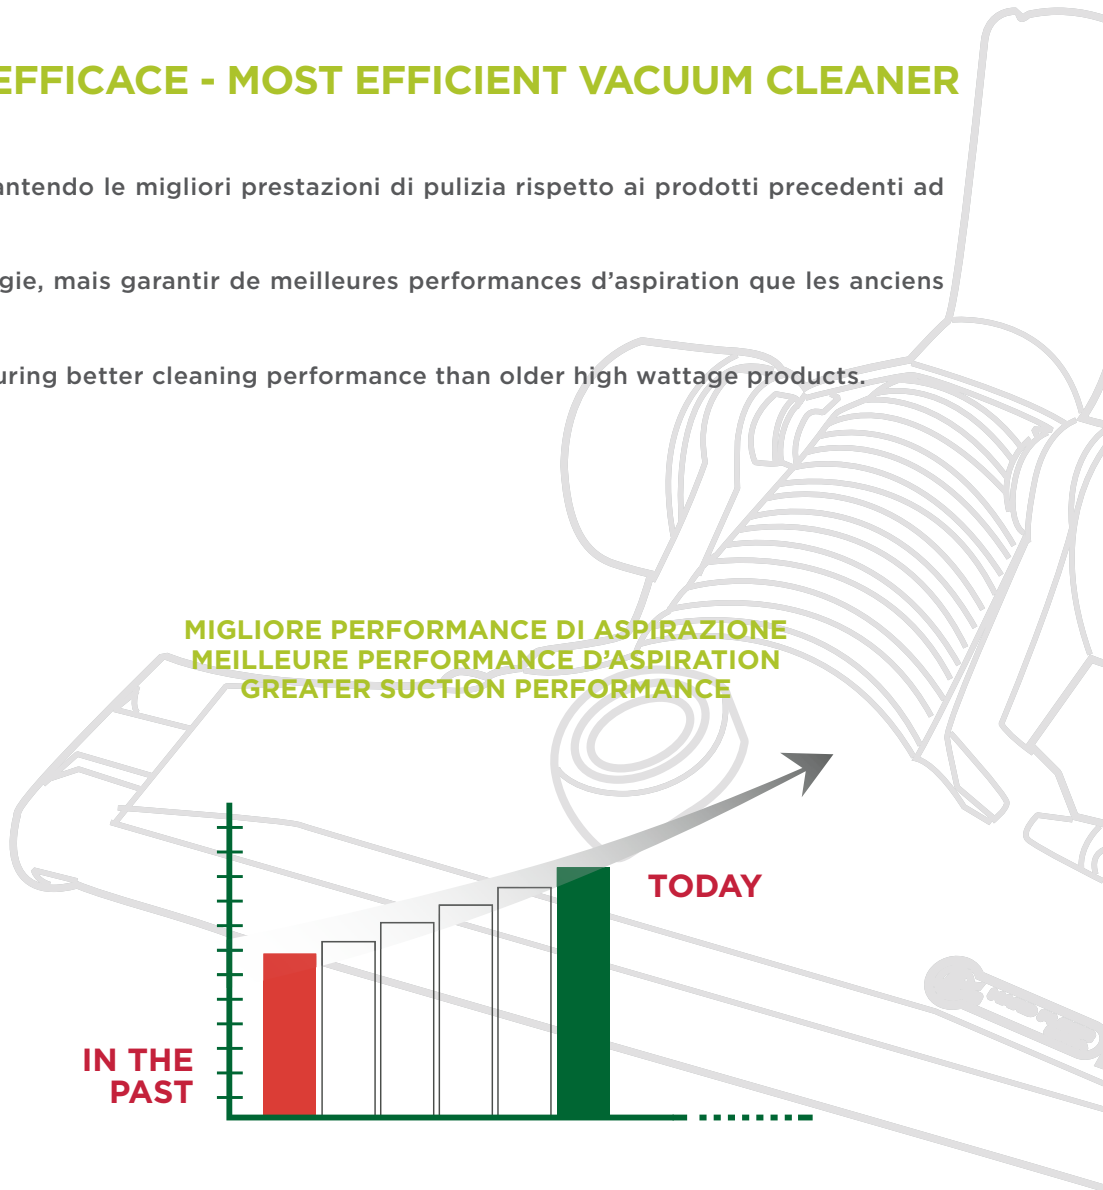

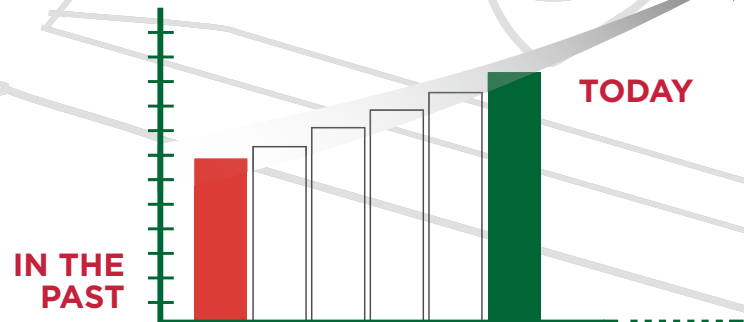

La nouvelle génération d'aspirateurs Hoover conçus pour consommer moins d'énergie, mais garantir de meilleures performances d'aspiration que les anciens produits à haut wattage.

Hoover new generation of vacuum cleaners is designed to use less energy while ensuring better cleaning performance than older high wattage products.

BASSO CONSUMO ENERGETICO FINO A MENO 50%
CONSOMMATION ENERGETIQUE EN BAISSÉ,
JUSQU'À MOINS 50%
LOWER CONSUMPTION, UP TO 50% LESS

MIGLIORE PERFORMANCE DI ASPIRAZIONE
MEILLEURE PERFORMANCE D'ASPIRATION
GREATER SUCTION PERFORMANCE

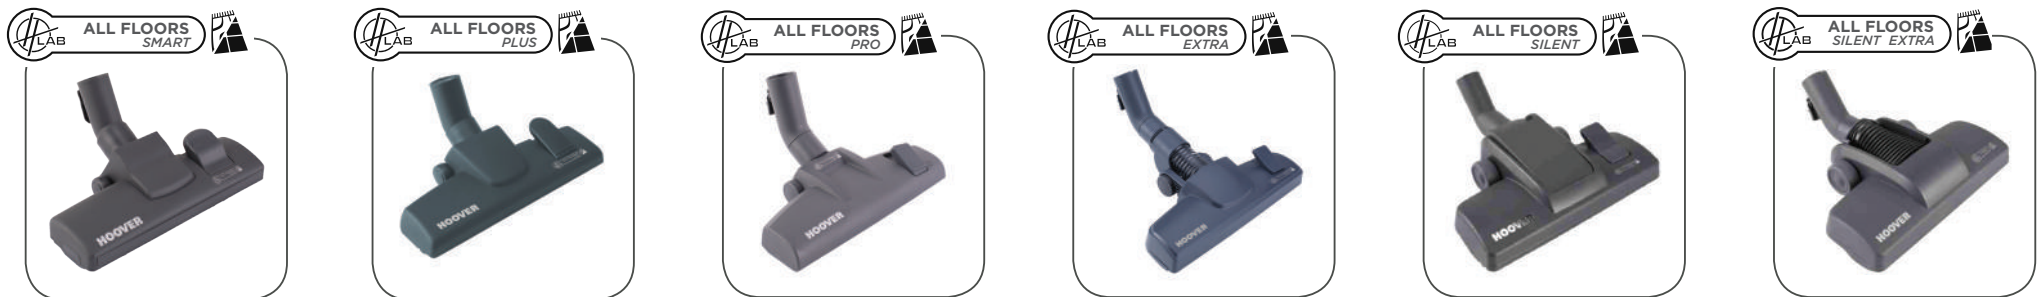

HLAB SPAZZOLE - BROSSES - NOZZLES

Dall'esperienza dei laboratori di ricerca Hoover HLab, è nata una nuova gamma completa di spazzole, pensata per raggiungere le migliori performance seguendo i parametri dell'etichetta energetica e rispondendo al meglio ad ogni necessità di pulizia.

Issue de l'expérience des laboratoires de recherches Hoover HLAB, une nouvelle gamme complète de brosses est née. Elle a été conçue pour atteindre le niveau de performance des meilleures classes énergétiques et pour répondre à tous vos besoins de nettoyage.

From the experience of the Hoover's HLab research laboratories, a new complete range of nozzles is born thought to achieve the best performance of the energy label parameters and to meet all your cleaning needs.

SPAZZOLE PER OGNI SUPERFICIE - BROSSES POUR CHAQUES SUPERFICIES - NOZZLES FOR EVERY SURFACE *

TUTTI I PAVIMENTI: ideali per la pulizia quotidiana dei pavimenti duri e tappeti, con un pedale per selezionare la funzione desiderata.

TOUS SOLS: idéal pour l'entretien quotidien des sols durs et moquettes, équipé d'une pédale permettant de choisir la fonction souhaitée.

ALL FLOORS: ideal for every day cleaning of hard floors and carpets, with a pedal to select the desired function.

* Available depending on product range and type.

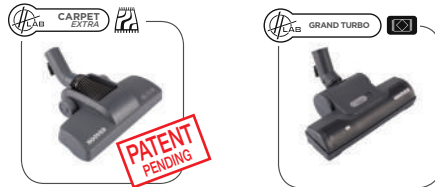

SPAZZOLE PER SUPERFICI SPECIFICHE - BROSSES POUR SURFACES SPECIFIQUES - NOZZLES FOR SPECIFIC SURFACES

PAVIMENTI DURI SOL DUR HARD FLOOR

Ideale per garantire elevate performance di aspirazione polvere.
Idéal pour garantir l'efficacité du ramassage de poussière.
Ideal to guarantee high dust pick up performance.

TAPPETI TAPIS CARPETS

Con doppio perno, delicata ed efficace. Potente e compatta, specifica per penetrare a fondo nelle fibre dei tappeti.
Grâce au double pivot, il est délicat et efficace. Puissant et compact, spécialement conçu pour aspirer au plus profond des fibres de tapis moquette.
Provided with a double pivot, delicate and effective. Powerful and compact, specific to penetrates deep in the carpet fibers.

PARQUET

Adatte per parquet e superfici delicate grazie alle setole naturali e le ruote in feltro.
Adapté pour les parquets et les surfaces délicates, grâce à sa brosse en fibres naturelles et ses roues en feutre.
Suitable for parquet and for delicate surfaces, thanks to natural bristles and felt wheels.

MATERASSI, DIVANI, TESSUTI E IMBOTTITI MATELAS, CANAPES, TEXTILES ET TISSUS D'AMEUBLEMENT MATTRESSES, SOFAS, FABRICS AND SOFT FURNITURES

Studiate per rimuovere sia gli allergeni presenti su tessuti e imbottiti che i peli di animali e la lanugine. Ideali per chi soffre di allergie, con ioni d'argento per ridurre la proliferazione dei batteri.
Concues pour récupérer soit les allergènes présents sur les tapis, textiles et tissus d'ameublement que les poils d'animaux et duvets. Idéals pour les allergiques, avec leur traitement aux ions d'argent pour réduire la prolifération des bactéries.
Designed to deeply clean soft furniture and fabrics removing allergens and pet hairs. Ideal for allergy sufferers with Silver Ions treatment that reduces the bacteria colonization.

* Available depending on product range and type.

COD. 35600997

• **PROFUMATORE ECOBREEZE**

Hoover Ecobreeze è un deodorante anti-schiuma. Diluito nel serbatoio d'acqua dell'apparecchio a vapore, previene la formazione di schiuma ed evita cattivi odori. Rilascia nell'ambiente un piacevole profumo di pulito.

• **PARFUMEUR ECOBREEZE**

Hoover Ecobreeze est un déodorant anti-mousse. Dilué solution dans le réservoir d'eau du dispositif vapeur, il prévient la formation de mousse et évite les mauvaises odeurs. Il libère dans l'espace un agréable parfum de propreté.

• **PERFUMER ECOBREEZE**

Hoover Ecobreeze is an anti-foaming deodorant. Diluted in the water tank of the steam cleaner, it prevents the creation of foam and avoids bad odours. It releases into the air a pleasant clean fragrance.

Product instructions

14 x 5 ml

A23
COD. 35600099

• **ANTICALCARE KALDEFENDER**

Hoover Kaldefender aiuta a prolungare la vita del vostro generatore di vapore impedendo la formazione di incrostazioni di calcare che potrebbero danneggiare la caldaia.

• **DETARTRANT KALDEFENDER**

Hoover Kaldefender aide à prolonger la vie de votre générateur de vapeur, empêchant la formation de dépôts de tartre qui peuvent endommager la chaudière.

• **DESCALER KALDEFENDER**

Hoover Kaldefender helps to extend the life of your steam generator preventing the limescale deposit that can damage the boiler.

CURA LAVASTOVIGLIE - DETERGENTI PAVIMENTI

For Italy only

50 x 20 g

C9
COD. 30601029
